

2025 Industrial & Production Trades Survey is Now Open!

The **2025 Industrial & Production Trades Survey** is now open for submissions! Employers have until **Friday, April 11** to participate, with the final report set for release in **mid-July**.

What's Included?

This year's survey covers **220+ jobs** across **20 job families**, including:

- ✓ Assembly
- ✓ Finishing
- ✓ Facilities
- ✓ Manufacturing Automation
- ✓ Shipping/Receiving
- ✓ Transportation
- ✓ Welding
- ✓ ...and more!

Why Participate?

By contributing to this survey, your organization will gain access to **local, employer-matched, employer-reported pay data**, ensuring that your **compensation decisions are market-driven and competitive**.

The final report will provide insights for **all U.S. markets**, featuring **state-specific sections** for **Iowa, Illinois, Minnesota, Ohio, and Wisconsin**, plus an **overall U.S. section**.

Data Confidentiality & Compliance

All data is kept **strictly confidential** in accordance with **U.S. Department of Justice and Federal Trade Commission Anti-Trust Safety Guidelines**. Data is **only reported** when a minimum of **five organizations** participate, ensuring privacy and compliance.

The more organizations that participate, the stronger and more representative the results—helping you make **data-driven, strategic pay decisions**.

For questions or assistance, reach out to **Danielle Kummer** at kummer@eauclairechamber.org.

Let's build a **stronger, more competitive workforce** together!
