

Aurora Medical Center is honored to be recognized as a hospital patients trust and recommend, earning a spot on the Becker's Hospital Review list of top patient-recommended hospitals.

Becker's Hospital Review - *Becker's* has compiled a list of the hospitals patients would recommend in each state using Hospital Consumer Assessment of Healthcare Providers and Systems data from CMS. CMS created 10 HCAHPS star ratings based on publicly reported HCAHPS measures. The patient recommendation star rating combines data from three HCAHPS survey questions and summarizes if patients would recommend the system to their friends and family. The 705 hospitals patients would recommend includes Atrium Health Lincoln, Aurora BayCare Medical Center, Aurora Medical Center Grafton, Aurora Medical Center Summit, Aurora Medical Center Manitowoc County and Aurora Medical Center Oshkosh.
