Pulaski Fox Fridge Opens to Support Community Access to Fresh, Healthy Food

Pulaski, WI – A new resource is now available to help fight food insecurity in Pulaski: the Pulaski Fox Fridge, a community fridge offering fresh, healthy, and perishable food items to anyone in need. Located outside the Pulaski Community Pantry at 234 West Town Road, Pulaski, WI 54162, the fridge is accessible 24/7, making it easier than ever for neighbors to access nutritious food when they need it most.

A ribbon-cutting celebration will take place on Wednesday, January 28th at noon at the Pulaski Community Pantry to officially unveil the new Pulaski Fox Fridge. Community members, media, donors, and supporters are invited to attend.

The Pulaski Fox Fridge is designed to provide healthy options beyond traditional non-perishable pantry items. Community members are encouraged to donate:

- Fresh fruits and vegetables
- Sealed, labeled packaged foods
- Unopened and unexpired dairy products, eggs, and drinks
- Store-packaged frozen items

By donating perishable items, you help ensure families have access to balanced meals and fresh ingredients. Every contribution supports the spirit of community care and connection, reminding us that together, we can make a difference.

Ease of Access for Those in Need

The fridge is open around the clock -no appointments, no paperwork, just a simple way to get the food you need when you need it. Whether it's a quick stop for milk or fresh produce, the Pulaski Fox Fridge is here for you.
