

Oshkosh named Top 100 for Orthopedic Surgery

Congratulations to the orthopedic team at Aurora Medical Center – Oshkosh for being recognized as one of **America’s Top 100 hospitals for orthopedic surgery** in 2023 and receiving the Orthopedic Surgery Excellence Award by Healthgrades.

This recognition honors hospitals that deliver **superior patient outcomes** in back and neck surgery, spinal fusion, hip fracture treatment, hip replacement, and total knee replacement.

Aurora Medical Center – Oshkosh is the only hospital in the state of Wisconsin to receive this honor for 2023.
