

## FOR IMMEDIATE RELEASE

January 11, 2022

### **Bristol Morgan Bank Fosters Growth, Expands Leadership Team**

**(Oakfield, WI.)** Bristol Morgan Bank made some exciting changes to the leadership team amidst their growth and success over the course of the last few years.

Joining the Bristol Morgan Bank team in the New Year is Matthew Lemke, Executive Vice President/Chief Operating Officer. Lemke brings nearly 20 years of industry experience and will be responsible for the branch network, product and service development and enhancement, in addition to other supporting areas of the Bank. He holds a BBA in finance and economics from the University of Wisconsin – Oshkosh and has attended both UW-Madison’s Graduate School of Banking and the Schneider School of Business Center for Exceptional Leadership at St. Norbert College.

“As our business and network continue to expand, bringing Matt on board in this new position not only brings fresh perspective and additional experience to our leadership team,” said Ryan Kamphuis, President and Chief Executive Officer, “but also stays true to our mission of being a part of the communities we serve. He has an active role in Fox Valley communities and that’s important to emphasize those lasting relationships and show that we hold true to our why.”

“Our people and the communities that support us have always been the backbone of our success,” explains Kamphuis. “We want to invest in our people – as we grow, they will grow.”

Mitchell Salzer, who joined the Bank in 2019 as Assistant Vice President/Commercial Loan Officer was recently promoted to Vice President/Commercial Loan Officer. Since joining Bristol Morgan Bank, Mitchell was invaluable in building both the commercial and personal business network in Winnebago County.

In September of last year, Salzer helped facilitate and open a fifth Bristol Morgan Bank location, a loan production office in Oshkosh. The Bank’s product offering and customer support services continue to expand to better serve the Fox Valley and surrounding communities.

For a full service offering and to meet the personal and commercial banking team members, visit [bristolmorganbank.com](http://bristolmorganbank.com).
