

## Construction Strong in Oshkosh

The Wisconsin Department of Revenue (DOR) recently released the [official 2021 new construction statistics](#), which is a summary of 2020 activity. Oshkosh commercial and industrial construction numbers continued to be strong in 2020, with \$45.4 million in total new construction, second only to Green Bay among neighboring Fox Valley municipalities.

Of Oshkosh's \$45.4 million in new construction, over \$41 million was in the commercial sector.

Since 2012, Oshkosh is third in the region in new commercial and industrial construction with \$356 million. The breakdown is as follows:

Green Bay	\$492 million
Appleton	\$362 million
Oshkosh	\$356 million
Fond du Lac	\$308 million
Neenah	\$133 million
