A FUNDRAISER FOR:

ABOUT

Each year the Leadership Oshkosh class hosts a Trivia Night as a fundraising effort to support the continuation of the Leadership Oshkosh program and a non-profit of their choosing. This year, the class has chosen the Winnebago Area Literacy Council (WALC) to be the beneficiary.

For the last 33 years, WALC has supported adults in our community with free literacy services. Their mission is to **strengthen our diverse community by developing and delivering free learner-centered literacy programs for adults and their families.** Their services are always free to the public because literacy and poverty are closely aligned. Due to the unprecedented increase in area resettlements of new refugees, mainly due to the lower cost of living and volatile global hostile actions, the annual new refugee population has ballooned by over 500%, with no end in sight. WALC's service delivery model relies heavily on one-to-one tutoring to achieve maximum results in the shortest time possible. To meet the need of the rapid influx of local refugees, they have had to resort to a classroom model to teach their newest residents until they can recruit individual one-to-one tutor volunteers. This increase in their classroom model has resulted in requiring 8 new part-time paid instructors for which they were not anticipating. **The funds raised will support staffing needs and objectives for the 630 newest residents of the Oshkosh area.**

The fundraiser will be taking place on Thursday, April 27, at 6:00PM, at Fox River Brewing Company. We welcome your attendance and are asking for your support as a Trivia Night Sponsor. Please see the following page for more details related to sponsorship opportunities. We are open to customized sponsor levels and are happy to discuss additional details.

Thank you for your time and consideration of supporting the Leadership Oshkosh program and our Trivia Night event to support the Winnebago Area Literacy Council.

Sincerely,

Leadership Oshkosh Class of 2023
