**Nova Counseling Services**  
3240 Jackson St, Oshkosh  
(920) 231-0143  
[www.novaoshkosh.com](http://www.novaoshkosh.com)

Nova Counseling Services is a State of Wisconsin-licensed provider of medically monitored treatment for people suffering from alcoholism and other drug addictions. They exist to provide the highest quality care at the lowest possible cost to chemically dependent persons and their families. Treatment at Nova is for individuals who have lost control of their lives and need a safe, structured environment in which to learn about their addiction. At Nova, they provide therapy to change the behaviors that accompany chemical dependency. Their compassionate, dedicated staff includes counselors who have personally suffered from addiction.
