The Oshkosh Chamber of Commerce is pleased to announce the beginning of the program year for Leadership Oshkosh (LO) class of 2021. LO began in 1989 and totaling 1086 graduates since its inception. The goal of the program is to identify and recruit current and emerging leaders from various segments of the community and to train them become active and involved citizens. This is accomplished through a combination of mentoring, volunteer experience and education. The program runs from September, 2020 – May, 2021. During the 9-month program, Leadership Oshkosh students serve as adjunct board members to gain insight and understanding into the world of nonprofit organizations and governance. They also select a community charity and run a fundraiser.
