OSMS Adds Two Board- Certified Orthopedic Surgeons to Meet Patient Demand

OSHKOSH, WI (January 4, 2023) – Orthopedic & Sports Medicine Specialists (OSMS), a doctor-owned orthopedic, sports medicine, rheumatology, and pain management practice, has added two board-certified orthopedic surgeons to its team in Oshkosh and the Fox Valley. Both doctors will see patients at Mercy Medical Center in Oshkosh and the OSMS Fox Valley clinic in Neenah.

Orthopedic surgeon Dr. Bryan Royce, a Kenosha native, received his medical degree from Rush University in Chicago and completed his medical residency at University of Wisconsin in Madison. Dr. Royce treats orthopedic conditions in patients of all ages. He performs hip, knee, and shoulder replacements for arthritic conditions as well as arthroscopic interventions for sport and work-related injuries.

Orthopedic surgeon Dr. Luke Fraundorf, an Antigo native, received his medical degree from the Medical College of Wisconsin in Milwaukee and completed his residency at the University of Wisconsin in Madison. His areas of expertise include conditions and procedures with the knee, hip, shoulders, and hands including joint replacements, arthroscopy, ACL reconstruction, rotator cuff repair, sports injuries, hand surgery, fracture care, and work injuries.

Both doctors most recently practiced in the Fond du Lac area.
