### **OSMS Adds Four Fellowship Trained Physicians to Meet Patient Demand**

**GREEN BAY, WI (August 18, 2023)** – Orthopedic & Sports Medicine Specialists (OSMS), a doctor-owned orthopedic, sports medicine, rheumatology, and pain management practice, has added three fellowship trained orthopedic surgeons and one fellowship trained pain management physician to its team in Green Bay, Oshkosh and the Fox Valley. With these additions, Orthopedic & Sports Medicine Specialists (OSMS) now has eight sports medicine fellowship trained orthopedic surgeons, which is more than any health system or practice in Northeast Wisconsin.

Board Certified Pain Management Physician [Dr. Daniel Brunner](#), a Wauwatosa native, received his medical degree from Kansas City University and completed his residency, and fellowship in Pain Medicine, at the Medical College of Wisconsin. Dr. Brunner treats chronic pain, neck and back pain, arthritis, post-laminectomy syndrome, neuropathic pain, and sciatica. Dr. Brunner sees and treats patients in Neenah and Oshkosh.

Sports Medicine Fellowship Trained Orthopedic Surgeon, [Dr. Michael Parman](#), a Wausau native, received his medical degree from the Medical College of Wisconsin, completed his medical residency at the University of Cincinnati, and earned his sports medicine fellowship at the New England Baptist Hospital. During his sports fellowship, he was able to provide medical care for the Boston Celtics and Harvard University Athletics. Dr. Parman treats a wide range of orthopedic conditions and performs procedures for all ages including sports injuries, work injuries, knee, and shoulder replacement, as well as joint preservation procedures. Dr. Parman sees and treats patients in Green Bay.

Orthopedic Surgeon and Hip & Knee Replacement Specialist, [Dr. Gordon Roedel](#), grew up in the rural, dairy farming community of Loyal, Wisconsin, received his medical degree from the University of Wisconsin School of Medicine and Public Health, completed his orthopedic surgery residency at the University of Nebraska Medical Center, and earned his fellowship in adult reconstruction at West Virginia University. Dr. Roedel specializes in partial and total knee replacements, hip replacement through minimally invasive direct anterior and posterior approaches, management of prosthetic joint infections, and revision of failed joint replacements. Dr. Roedel sees and treats patients in Green Bay.

Sports Medicine Fellowship Trained Orthopedic Surgeon, [Dr. Ryan Ziegler](#), a New London native, received his medical degree from the Des Moines University – College of Osteopathic Medicine, completed his residency at Western Reserve Hospital, and earned his sports medicine fellowship at the Cincinnati Sports Medicine and Orthopedic Center. During his

training, he had the opportunity to work with professional sports teams including the Cincinnati Bengals and FC Cincinnati. Dr. Ziegler's area of expertise includes a wide variety of orthopedic conditions in patients and athletes of all ages. He specializes in arthroscopic procedures and perform joint replacement surgery of the hip, knee, and shoulder. Common issues he sees include ligament/tendon tears, meniscus and cartilage injuries, fractures, and arthritis. Dr. Ziegler sees and treats patients in Neenah and Oshkosh.
