## **Hart Family Coffee Announces New Scooter's Coffee House**

OSHKOSH, WISCONSIN – Bayland Buildings Inc. was selected as the general contractor for a new 1,600 sq. ft. Scooter's coffee house that will be opening soon in Oshkosh.

Cody Simons, Director of Infrastructure and Development joined Hart Family Coffee in Nov of 2021, overseeing the construction of all the new Scooter's Coffee locations for this franchise. Hart Family Coffee is a rapidly growing franchise of Scooter's Coffee, with plans to build 40 locations over the coming years, and 10-12 locations in 2023 alone. "We are a very community-centered company and believe in giving back to the community in many ways beyond coffee," says Simons.

In Hart Family Coffee's short time of being in Wisconsin, the company has connected with all the communities they are fortunate enough to call home. Their goal is to be the fastest friendliest coffee in the Midwest and be the local favorite for all things coffee, by establishing a meaningful connection to the communities they exist within.

"I feel this Coffee house, being our first as a company, within the city of Oshkosh will provide a staple within the community to receive amazing coffee, amazingly fast, with amazing customer service," Simons stated. "Solidifying our position as the fastest friendliest coffee in all of the Midwest."

We look forward to this exciting opportunity to grow into the great city of Oshkosh and become something special to all who call it home. We can't wait for you to Scoot on in and see us!

A groundbreaking for the new coffee house was held on Thursday, December 1<sup>st</sup>, 2022. Construction is estimated to be completed in the early spring of 2023.
