

# PROGRAM ROADMAP

*Heartwiring and Hardwiring Your Leadership™* teaches your employees how to transform their leadership skills to bring out the best leader in themselves, so they can bring out the best results in others. This roadmap provides you with an overview of the powerful leadership topics and principles taught in the online program, which includes five interactive learning modules. Your employees will learn practical leadership skills that can be applied immediately in the workplace during the training. To experience a demo of the program, go to [learn.ogolead.com/demo](https://learn.ogolead.com/demo) or contact us at **1-855-646-5323**.
